1 HQ, DA	NOTICE TO OFFERORS - USE OF CLASS I OZONE-DEPLETING SUBSTANCES	JUL/1993
<p>(a) In accordance with Section 326 of P.L. 102-484, the Government is prohibited from awarding any contract which includes a specification or standard that requires the use of a Class I ozone-depleting substance (ODS) identified in Section 602(a) of the Clean Air Act, 42 U.S.C. 7671a(a), or that can be met only through the use of such a substance unless such use has been approved, on an individual basis, by a senior acquisition official who determines that there is no suitable substitute available.</p> <p>(b) To comply with this statute, the Government has conducted a best efforts screening of the specifications and standards associated with this acquisition to determine whether they contain any ODS requirements. To the extent that ODS requirements were revealed by this review they are identified in Section C with the disposition determined in each case.</p> <p>(c) If offerors possess any special knowledge about any other ODSs required directly or indirectly at any level of contract performance, the U.S. Army would appreciate if such information was surfaced to the Contracting Officer for appropriate action. To preclude delay to the procurement, offerors should provide any information in accordance with FAR 52.214-6 or 52.215-14 as soon as possible after release of the solicitation and prior to the submission of offers to the extent practicable. It should be understood that there is no obligation on offerors to comply with this request and that no compensation can be provided for doing so.</p>

3	52.233-4501	ALTERNATIVE DISPUTES REVIEW PROCESS	MAY/1994
	TACOM-RI		

(a) In order to assist in the timely resolution of disputes or claims arising out of this project, this contract clause establishes an alternative disputes review process, to be brought into play by mutual agreement of the parties. When deemed mutually beneficial, a disputes review board will consider disputes referred to it and will provide non-binding recommendations to assist in the resolution of the differences between the Government and System Contractor (SC). Specific procedures to be followed for disputes by the Disputes Review Board will be decided upon by the Government and SC. Nothing herein shall limit the right of the parties to agree to any or all other alternate disputes review processes. However, the procedures below are general guides for establishing such procedures.

(b) Should a dispute arise between the Government and SC, either party may propose utilization of these procedures; and, upon agreement of both parties, the matter(s) in issue will be referred to the disputes review board. If such submittal to the board is not agreed to by the parties, the matter will be pursued under the normal claims and appeal procedures in accordance with FAR 52.233-1, Disputes - Alternate I, of the contract.

(c) The Disputes Review Board shall consist of one member selected by the Government and one member selected by the SC. The first two members shall be mutually acceptable to both the Government and the SC. The parties shall exchange lists of three individuals acceptable as a board member. The Government and the SC shall each select one individual from the other's list. If no individual on the first list is acceptable to the other party, a second list with three individuals will be proposed. If no one on the second list is acceptable to the other party, the selection process shall not continue and the mutual decision to submit the dispute to a Disputes Review Board shall be considered terminated.

(d) The two members acceptable to the Government and the SC will independently select the third member from a list of 10 names developed by the Government of individuals respected in the field of engineering and construction for their ability and integrity, one of whom should be acceptable. If the two members are unable to select the third member from this list, the decision to submit the dispute to a disputes review board shall be considered terminated. Except for fee-based consulting services on other projects, no board member shall have been employed by either party within a period of two years prior to award of the contract.

(e) The Government and the SC shall each be afforded an opportunity to be heard by the disputes review board and to offer evidence. The procedures for conducting such hearing shall be as mutually agreed to by Government and SC. The disputes review board recommendations toward resolution of a dispute will be given in writing to both the Government and the SC within 30 calendar days following conclusion of the proceedings before the disputes review board. Such recommendations are advisory and non-binding upon both the Government and the SC.

(f) Within 30 calendar days of receiving the disputes review board's recommendations, both the Government and the SC shall respond to the other in writing, signifying that the dispute is either resolved or remains unresolved. If the Government and the SC are able to resolve their dispute, the Government will expeditiously process any required contract modifications. Should the dispute remain unresolved after 30 calendar days following receipt of the Board's recommendations, the procedure will terminate and the SC will be entitled to pursue his claim under the disputes process.

(g) If at any time during the existence of the contract, the parties mutually agree that a disputes review board should be established for work performed under this contract, the Government and the SC shall commence the selection procedures, as above, and negotiate an agreement with their member within 30 calendar days. The selection of the disputes review board alternative disputes review procedure for resolution of contract disputes shall be void if the two members are unable to select a third member within 30 calendar days. This board shall serve during the existence of the contract, to attempt resolution of other disputes which may be mutually referred to the board.

(h) In appropriate cases, the SC and the Government may agree that a dispute should be submitted to the disputes review board, but that the dispute only warrants the mediation efforts of one board member. In such cases, the third board member will mediate the dispute without participation of the other two members.

(i) The disputes review board will formulate its own rules of operation, and may request of the Government that they visit the site to familiarize themselves with the controversy.

(j) Should the need arise to appoint a replacement board member, the replacement member shall be appointed in the same manner as the original board members were appointed. The selection of a replacement board member shall begin promptly upon notification of the necessity for a replacement and shall be completed within 30 calendar days.

(k) Compensation for the disputes review board members, and the expenses of operation of the board, shall be shared by the Government and contractor in accordance with the following:

- (1) The Government will compensate directly the wages and travel expense for its selected member.
- (2) The SC shall compensate directly the wages and travel expense for its member.
- (3) The Government and SC will share equally in the third member's wages and travel, and all other expenses of the board.

(4) The Government, at its expense, will provide administrative services, such as conference facilities and secretarial services, to the board.

(l) The establishment of the alternate disputes resolution procedure under this contract may be terminated at any time by written notice on the other party. Board members may withdraw from the board by providing notice. Board members may be terminated for cause only by their original appointer. Therefore, the Government may only terminate the Government's appointed member, the SC may only terminate the SC's appointed member, and the first two members must mutually agree to terminate the third member.

(m) The principal objective of the disputes review board is to assist in the resolution of disputes which would otherwise likely be resolved through the traditional litigation processes. It is intended that if mutually agreed to by the parties to constitute a disputes review board for the purpose of attempting to resolve contract disputes, that the mere existence of the board will encourage the Government and the SC to resolve potential disputes without the necessity of resorting to the formal appeal procedure under the Disputes clause of the contract.

(n) Primarily, the board will consider claims and disputes involving interpretation of the plans and/or specifications delays, acceleration of the work, scheduling, classification of extra work, changed conditions, design changes, and the like.

(o) If the board's recommendations do not resolve the dispute, all board findings and written recommendations, including any minority reports, will be inadmissible in any subsequent litigation or hearing before the boards or courts contemplated by the Disputes clause procedures, involving the dispute at issue.

16	52.232-7	PAYMENTS UNDER TIME-AND-MATERIALS AND LABOR-HOUR CONTRACTS	DEC/2002
----	----------	--	----------

The Government will pay the Contractor as follows upon the submission of invoices or vouchers approved by the Contracting Officer.

(a) Hourly rate. (1) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the Schedule by the number of direct labor hours performed. The rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis. Vouchers may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer), to the Contracting Officer or designee. The Contractor shall substantiate vouchers by evidence of actual payment and by individual daily job timecards, or other substantiation approved by the Contracting Officer. Promptly after receipt of each substantiated voucher, the Government shall, except as otherwise provided in this contract, and subject

to the terms of (e) of this section, pay the voucher as approved by the Contracting Officer.

- (2) Unless otherwise prescribed in the Schedule, the Contracting Officer shall withhold 5 percent of the amounts due under this paragraph (a), but the total amount withheld shall not exceed \$50,000. The amounts withheld shall be retained until the execution and delivery of a release by the Contractor as provided in paragraph (f) of this section.
- (3) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis. If no overtime rates are provided in the Schedule and overtime work is approved in advance by the Contracting Officer, overtime rates shall be negotiated. Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract. If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.
- (b) Materials and subcontracts. (1) The Contracting Officer will determine allowable costs of direct materials in accordance with Subpart 31.2 of the Federal Acquisition Regulation (FAR) in effect on the date of this contract. Direct materials, as used in this clause, are those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product.
- (2) The Contractor may include reasonable and allocable material handling costs in the charge for material to the extent they are clearly excluded from the hourly rate. Material handling costs are comprised of indirect costs, including, when appropriate, general and administrative expense allocated to direct materials in accordance with the Contractor's usual accounting practices consistent with Subpart 31.2 of the FAR.
- (3) The Government will reimburse the Contractor for supplies and services purchased directly for the contract when the Contractor -
- (i) Has made payments of cash, checks, or other forms of payment for these purchased supplies or services; or (ii) Will make these payments determined due -
- (A) In accordance with the terms and conditions of a subcontract or invoice; and
 - (B) Ordinarily within 30 days of the submission of the Contractor's payment request to the Government.
- (4) (i) The Government will reimburse the Contractor for costs of subcontracts that are authorized under the subcontracts clause of this contract, provided that the costs are consistent with paragraph (b)(5) of this clause.
- (ii) The Government will limit reimbursable costs in connection with subcontracts to the amounts paid for supplies and services purchased directly for the contract when the Contractor has made or will make payments determined due of cash, checks, or other forms of payment to the subcontractor -
- (A) In accordance with the terms and conditions of a subcontract or invoice; and
 - (B) Ordinarily within 30 days of the submission of the Contractor's payment request to the Government.prior to the submission of the Contractor's next payment request to the Government.
- (iii) The Government will not reimburse the Contractor for any costs arising from the letting, administration, or supervision of performance to the subcontract, if the costs are included in the hourly rates payable under paragraph (a)(1) of this clause.
- (5) To the extent able, the Contractor shall-- (i) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and
- (ii) Take all cash and trade discounts, rebates, allowances, credits, salvage, commissions, and other benefits. When unable to take advantage of the benefits, the Contractor shall promptly notify the Contracting Officer and give the reasons. The Contractor shall give credit to the Government for cash and trade discounts, rebates, scrap, commissions, and other amounts that have accrued to the benefit of the Contractor, or would have accrued except for the fault or neglect of the Contractor. The Contractor shall not deduct from gross costs the benefits lost without fault or neglect on the part of the Contractor, or lost through fault of the Government.
- (c) Total cost. It is estimated that the total cost to the Government for the performance of this contract shall not exceed the ceiling price set forth in the Schedule and the Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the Government for performing this contract with supporting reasons and documentation. If at any time during the performance of this contract, the Contractor has reason to believe that the total price to the Government for performing this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performing this contract, the Government has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will

so advise the Contractor, giving the then revised estimate of the total amount of effort to be required under the contract.

(d) Ceiling price. The Government shall not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer shall have notified the Contractor in writing that the ceiling price has been increased and shall have specified in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

(e) Audit. At any time before final payment under this contract the Contracting Officer may request audit of the invoices or vouchers and substantiating material. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices or vouchers, that are found by the Contracting Officer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. Upon receipt and approval of the voucher or invoice designated by the Contractor as the "completion voucher" or "completion invoice" and substantiating material, and upon compliance by the Contractor with all terms of this contract (including, without limitation, terms relating to patents and the terms of (f) and (g) of this section), the Government shall promptly pay any balance due the Contractor. The completion invoice or voucher, and substantiating material, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

(f) Assignment. The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the Government, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions:

(1) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible of exact statement by the Contractor.

(2) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the Government is prepared to make final payment, whichever is earlier.

(3) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the Government against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.

(g) Refunds. The Contractor agrees that any refunds, rebates, or credits (including any related interest) accruing to or received by the Contractor or any assignee, that arise under the materials portion of this contract and for which the Contractor has received reimbursement, shall be paid by the Contractor to the Government. The Contractor and each assignee, under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, an assignment to the Government of such refunds, rebates, or credits (including any interest) in form and substance satisfactory to the Contracting Officer.

(h) Interim Payments. (1) Interim payments made prior to the final payment under the contract are contract financing payments. Contract financing payments are not subject to the interest penalty provision of the Prompt Payment Act.

(2) The designated payment office will make interim payments for contracting financing on the 30th day after the designated billing office receives a proper payment request. In the event that the Government requires an audit or other review of a specific payment request to ensure compliance with the terms and conditions of the contract, the designated payment office is not compelled to make payment by the specified due date.
